Rich Kramer
Rich Kramer Construction
789 N. Miller Road
Springfield, Missouri 65802

Dear Rich:

Thank you! Such a simple phrase, but we would like to convey to you how much we appreciate your help with our 7-Day Blitz Build at the Price Cutter Charity Championship. The Blitz Build was a success, certainly for the solid home that was built, but also because of the synergy and team spirit among all who contributed to the construction and camaraderie throughout the 7-day build.

It is only through the continued generosity of good friends like you that we are able to build homes in partnership with people in need and further the vision of eliminating substandard housing in Greene County. Kelly Jackson and her daughter, Caiaa, will now have a safe and decent place to live.

It was truly a pleasure working with you and your crew to make the dream of homeownership possible for Kelly. Thank you for joining us in the 2008 7-Day Blitz Build that has made us all proud.

Sincerely,

Topper Glass
